

# How To Earn At Least Rs. 10,000/- Per Month Through The Internet On Autopilot

## *Online Profit Megapack*

It is estimated that there are 233 million internet users in the world and approximately 2 million users in India. These figures are likely to grow exponentially in the near future as prices of computers plunge, and broadband connectivity and internet access via mobile phone becomes more affordable.

According to *Money Today* magazine ([www.moneytoday.in](http://www.moneytoday.in)), thousands of people in India alone earn millions using the internet by selling or sharing their products, services and thoughts across the globe. The magazine also reports that many Indian internet users earn **between Rs. 4,000/- and 4,00,000/- a month as supplementary or sole income online**. That should give you an idea about the tremendous potential of the internet for generating a lucrative income.

To help you learn about the various methods and techniques for earning from the internet, we present **Online Profit Megapack**, a powerful package that will enable you to start and operate your own profitable online business that will fetch you an ongoing income on autopilot. In **Online Profit Megapack** you will find all the information, instructions and tools that you'll need to turn the internet into your own lucrative cash cow. Mind you, it does not contain any of the useless, unworkable schemes (or scams) like online surveys, adsense, home typing, email reading or chain letters, but solid info, instructions & tools to help you earn big profits online.

Here's what you'll find inside **Online Profit Megapack**:
